

NEXT STEPS

For the full program rules and details do a search on the keywords “A New Path to Master”.

Read the blog post “How do you know if you’re ready for SQL MCM?” On The Master Blog

Check out the videos (whether you want to pursue or not):

- Tip: click “more” button at bottom of page for the full list on an RSS page.
- Second tip: people have put together PWS scripts to download

Check out the SQL MCM question forum and aforementioned readiness resources
